

Samuel Mallia

SOFTWARE ENGINEERING STUDENT

London, Ohio | +1 (614)-531-1363 | mallia.3@wright.edu | github.com/Mizeress

Professional Summary

My name is Samuel Mallia, and I am studying computer science at Wright State University. Technically, I am most experienced with using Java and Spring Boot for designing apps, but I have also experimented in other areas.

My immediate goal is to gain hands-on experience in the field of Software Engineering. I am excited to begin to apply what I've learned in real world solutions.

Experience

Champaign Aviation Museum | Technical Volunteer

2025 - Current

- Set up a visitor sign-in kiosk for the museum
- Currently working on a plane turret simulator that uses ArUco markers and OpenCV via C++ to track a physical gun and uses it as a controller for a Unity game.

Scouting BSA | Eagle Scout & Adult Leader

2023 - Current

- Planned and completed a community service project of constructing a trailhead at a local hiking trail. This included budgeting, fundraising, getting Chamber of Commerce approval, organizing the workers, and developing safety guidelines.
- Help guide, teach, and protect scouts during meetings and outdoor events.

Education

Wright State University, BACS Computer Science

TBD

Major: Computer Science | In Progress

Columbus State Community College, AAS Software Engineering

2024

Major: Computer Science: Software Engineering Track | Honors: Summa Cum Laude

Skills & abilities

- | | |
|------------------------------|------------------------|
| • Java, C#, Python | • Spring Boot |
| • SQL, Javascript, HTML, CSS | • Teamwork |
| • Relational Databases | • Communication |
| • Linux CLI | • Problem Solving |
| • Github / Git | • Researching Problems |
